

Funky Situation

Commodores

Well, it's a little bit funny
Or so it seems
How I met this girl
Was like a dream
It was late one night
She was a beautiful sight
Standin' thin and tall
Her dress mostly nothin' at all
She's bad..I know
I'm glad..wow
She's more than I ever had..more than I ever had

She dance so close to me
Moves so differently

[Chorus:]
Could it be love..it's a funky situation
Could it be love..it's beyond my imagination
Could it be love..she's such a sweet temptation
Could it be love
It's funky..it's funky..it's funky
It's a funky situation
It's funky..it's funky..it's funky
It's a funky situation

She goes for me
She sets my soul on fire
Every day and night
I have such desire
To hold her close to me
To touch her tenderly

Ohh..it's so thrilling
To know she's willing..yeah
..makes me scream
..she's a love machine

Oww..I just can't describe
This feelin' that I have inside

[Chorus]
Could it be love
Could it be love
It's funky..it's funky..it's funky
It's a funky situation
It's funky..it's funky..it's funky
It's a funky situation

Funky situation
She's so fine
Mine all mine
Funky situation
Oww..yeah
Sweet thing
Sweet thing
