

I Feel Sanctified

Commodores

Yeah, I Feel sanctified
Yeah, I Feel sanctified
Yeah, I Feel sanctified

I just left my baby`s house
And I got the Strength I needed
Knowing that the beast of man
Is very hard to please

I`m so glad the sun is shining
To brighten up the day
Cause behind last night
I see things in a different way

Yeah, I Feel sanctified
(Feel it, feel it my soul, yeah)
Yeah, I Feel sanctified

She led me to the brink of love
And no words could ever describe
Oh, when you get that kind of loving
It`s a blessing to be alive

Ooh, the sacred feeling
Just blows through my soul
Searching for sanctuary
To rested my

Yeah, I Feel sanctified
Yeah, I Feel sanctified
Yeah, I Feel sanctified
