

# I Feel Sanctified

Commodores

Yeah, I Feel sanctified  
Yeah, I Feel sanctified  
Yeah, I Feel sanctified

I just left my baby`s house  
And I got the Strength I needed  
Knowing that the beast of man  
Is very hard to please

I`m so glad the sun is shining  
To brighten up the day  
Cause behind last night  
I see things in a different way

Yeah, I Feel sanctified  
(Feel it, feel it my soul, yeah)  
Yeah, I Feel sanctified

She led me to the brink of love  
And no words could ever describe  
Oh, when you get that kind of loving  
It`s a blessing to be alive

Ooh, the sacred feeling  
Just blows through my soul  
Searching for sanctuary  
To rested my

Yeah, I Feel sanctified  
Yeah, I Feel sanctified  
Yeah, I Feel sanctified
