

You Don't Know That I Know

Commodores

You and another just passed me by
And I sat there smiling, smiling, just to hide my pride
Oh, you could have seen me, he was all that caught your eye
And oh, baby, baby, right there I realised... woah
You don't know that I know, girl

Oh, it's how you treat me child
You're gonna mess around and drive me wild
Why you wanna do me wrong, baby?
When you know I can't leave you alone... aah
Why you wanna do what you do to me, baby?
Woman... why?

I'll always love you, come rain or come shine... oh baby
Although you're running around, baby
I can't get you out of mind
Oh, you've got me wrapped up in your love, baby
Tell me what can I do?
I've been trying to give you up for a long time, baby
I'm still in love with you... woah
You don't know that I know, baby

I tried to give you loving, yes I did
Ha ha, my lovin'
Oh, woman, woman
Well, I could tell you 'bout yourself, baby
Things you think I don't know
