

# You Don't Know That I Know

Commodores

You and another just passed me by  
And I sat there smiling, smiling, just to hide my pride  
Oh, you could have seen me, he was all that caught your eye  
And oh, baby, baby, right there I realised... woah  
You don't know that I know, girl

Oh, it's how you treat me child  
You're gonna mess around and drive me wild  
Why you wanna do me wrong, baby?  
When you know I can't leave you alone... aah  
Why you wanna do what you do to me, baby?  
Woman... why?

I'll always love you, come rain or come shine... oh baby  
Although you're running around, baby  
I can't get you out of mind  
Oh, you've got me wrapped up in your love, baby  
Tell me what can I do?  
I've been trying to give you up for a long time, baby  
I'm still in love with you... woah
