

Army Of Darkness

Common Enemy

1, 2, 1, 2, 3, GO!
Snatched the book and got the chick
"groovy" I think, I'm the shit
But it turns out I'm not done yet
When I grabbed the book I should have said
Klaatu... barada... nikto... (and)
Can't these guys give me a break
Dead means dead and don't hesitate
My job is done so send me back
But I'll fight your war no strings attached
Army of darkness... our time to shine is now!
