

Pit Trilogy

Common Enemy

I don't wanna sit and talk and I don't wanna play baseball
I don't wanna hear the score, all that shit is such a bore
I wanna hear the music fast I wanna jump and yell and thrash
And then I'm gonna take a break and go back for a second take
I just wanna circle pit!
Well I don't wanna go to church
And I don't wanna hear your lies
Blind me with your fucking crosses,
Blind by greed and dollar signs
I just wanna circle pit!
Circle pits and horror flicks,
And b movies and skateboard decks
Life is short, thrash real hard
Your friends will help you off the floor
