And yours clothes is tight  
But you don't seem gay  
I said naw

Kept her ring on her pinky

See her again at All Star weekend

With her roommate

Spend so much on outfits  
She's about to get evicted  
Said "I'm married to this rap shit,  
Looking for a mistress"  
You can be by my side  
Like flavor and deelicious

Long as you ain't scared of the kitchen and the dishes  
She said "you one of them fishes, I know your mind switches", and...

Broads were textin  
Cuz I stop calling them  
I met the parents  
Watch the game with her father and  
Questions of marriage  
And I start dodging them  
What happen to me  
Happens to lots of men  
Get deep in love  
And then your needing some oxygen  
As far as wives I was thinking like Solomon  
She said "there you go, breakin my heart again!"
