Common

Faithful to thee  
We got to be  
Faithful to thee  
I want to be  
Faithful to thee  
Yes, its for the people, God moves, yeah

I was rollin' around, in my mind it occurred  
What if God was a her?  
Would I treat her the same? Would I still be runnin' game on her?  
In what type of ways would I want her?  
Would I want her for her mind or her heavenly body?  
Couldn't be out gettin' bogus with someone so godly  
If I was wit' her would I still be wantin' my ex?  
The lies, the greed, the weed, the sex  
Wouldn't be ashamed to give her part of my check  
Wearin' her cross, I mean the heart on my neck  
Her I would reflect on the streets of the Chi'  
Ride wit' her, 'cause I know for me she'd die  
Through good and bad call on her like I'm chirpin' her  
Couldn't be jealous 'cause other brothers worship her  
Walk this earth for her, glory, I'm grateful  
To be in her presence I try to stay faithful

Faithful to the end  
Faithful to the end  
Faithful to the end  
I'd like to be her very best friend

He worked with her, she was his lady's best friend  
Even if they don't try some ladies test men  
And this was a test that was bigger than him  
Some believe its the nature that is given to men  
He had a good gig, a wife, a kid, a decent home  
One reason or another couldn't find peace at home  
She asked, "Why do men always have to stray?"  
He said, "I'm bad, not as bad as Eric Benet"  
"I used to take 'em out to eat but they wasn't really eatin'  
Mighta got a little head but I wasn't really cheatin'"  
It's hard when your lady don't believe what you say  
And what you did in the past you gotta live with today  
She asked if they could spend the night together  
He thought, and said, "I'm tryin' to get my life together"  
Went home to his lady, these were his confessions  
"Baby you a blessin' and my best friend"

Faithful to thee  
Faithful to thee  
I'm gonna be, I'm gonna be, I'm gonna be so faithful  
I'm gonna be, I'm gonna be so faithful

So  
So  
So  
So  
So  
So

So faithful

So

So

So

So

So

That's what I'm gonna do

Faithful to the end

That's what I'm gonna do

Faithful to the end

That's what I'm gonna do

Faithful to the end

Yeah, yeah, yeah, yeah
