Common

- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go, go
- Uh, on the count of three everybody run back to your fantasy, now
- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go, go

And on the count of three everybody run back to your fantasy, n ow

- (Go) She was a bad (uh), the type at the club niggaz would grab her
- (Go) Fantasized when I had her, in the bathroom sweatin' with h er ass up
- (Go) The body of a dancer, we had chemistry cuz she was a Cance r

Thought forever it would last for, but forever move faster, so I had to

- (Go) Still I gotta pause when I think about her in dem draws
- (Go) And a ooh baby she liked it raw and like rain when she cam e it poured
- (Go) And like a car that I can't afford I would want it then want some more

The positions our frames explored let me know she was secure, b ack for more I wanna

- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go, go

Uh, on the count of three everybody run back to your fantasy, n $_{\mbox{\scriptsize ow}}$

- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go, go

And on the count of three everybody run back to your fantasy, n ow

- (Go) Freaky like the daughter of a pastor, said I was bait for her to master
- (Go) Little red corvette now she was faster, wet dreams Le'mair e cream the bathroom
- (Go) We made love and then laughter, and anyway I wanted I could have her

Said there were some girls that did attract her, a new chapter she was after so I said let's

(Go) To a place that you wanna be, uh get what you want from he r and me uh

- (Go) Free love I wanna see uh, hot sex in the third degree uh
- (Go) You gettin' served while servin' me uh, dirty words encour age me to

Rock steady and sturdily on, you turnin' me no turnin' back the further we

- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go and on the count of three
- (Go) go, go, go, go, go

Uh, on the count of three everybody run back to your fantasy, n $\ensuremath{\text{ow}}$
