

Make My Day

Common

Ahh the sun is shining brighter cause you really make my day
You really make my day
Ohhh oh oh
Yeah I think I like her cause she really makes my day
Yeah she really makes my day
Ohhh oh oh

(ohhh oh oh) see her on the beach she was wrapped in a towel
Her bodys going down see her ass crack to smile
Enjoying the nile (woo) take it the breeze
Or some cat a mouse
And she was the cheese on the sun keys
Yeah on a conversation
California dreamin now california-cation
Said she had drinks in the collar and I had an invention if I wanted I could brewer this is just an invdication on
How cool she was
A couple of chicks came
Groupie love
They aint want no pictures
Im think damn damn thats really cool because sometimes I wanta chill sometimes the best things in life are not even planned
Came to the sand and got more than a tan
Baby girl im a man
And we can do this my way
Take a ride on the highway and pretend that its friday

(ohhh) she was at a bar-b-que
Pretty painted nails she took off her shoes
Grammer school
Sippin on some l thinking man shes cool
Sun smiling on her hair
Playing spades and we can be a pair
I love it when its sunny girl
You could be my Cher
Inderpendence day and freedoms in the air
Dance and danced away yo
Showing steppin like a tango
Like me, got me
Sweet as icy spicy
Drip from my lips
We can do something hip
Trip around the world in a day
Play phonia a
