

# The Light

Common

Yeah..

Doo-doo-doo, mmm-mmm-mmm-mmm-mmm..

Doo-doo-d-doo, diggy-doo YO..

I never knew a luh, luh-luh, a love like this  
Gotta be somethin for me to write this  
Queen, I ain't seen you in a minute  
Wrote this letter, and finally decide to send it  
Signed sealed delivered for us to grow together  
Love has no limit, let's spend it slow forever  
I know your heart is weathered by what studs did to you  
I ain't gon' assault em cause I probably did it too  
Because of you, feelings I handle with care  
Some niggaz recognize the light but they can't handle the glare  
You know I ain't the type to walk around with matchin shirts  
If relationship is effort I will match your work  
I wanna be the one to make you happiest, it hurts you the most  
They say the end is near, it's important that we close..  
.. to the most, high  
Regardless of what happen on him let's rely

There are times.. when you'll need someone..

I will be by your side..

There is a light, that shines,

Special for you, and me..

Yo, yo, check it

It's important, we communicate

And tune the fate of this union, to the right pitch

I never call you my bitch or even my boo

There's so much in a name and so much more in you

Few understand the union of woman and man

And sex and a tingle is where they assume that it land

But that's fly by night for you and the sky I write

For in these cold Chi night's moon, you my light

If heaven had a height, you would be that tall

Ghetto to coffee shop, through you I see that all

Let's stick to understandin and we won't fall

For better or worse times, I hope to me you call

So I pray everyday more than anything

Friends will stay as we begin to lay

This foundation for a family - love ain't simple

Why can't it be anything worth having you work at annually

Granted we known each other for some time

It don't take a whole day to recognize sunshine

There are times.. when you'll need someone..

I will be by your side, oh darling

There is a light, that shines,

Special for you, and me..

Yeah.. yo, yo, check it

It's kinda fresh you listen to more than hip-hop

And I can catch you in the mix from beauty to thrift shop

Plus you ship hop when it's time to, thinkin you fresh

Suggestin beats I should rhyme to

At times when I'm lost I try to find you

You know to give me space when it's time to  
My heart's dictionary defines you, it's love and happiness  
Truthfully it's hard tryin to practice abstinence  
The time we committed love it was real good  
Had to be for me to arrive and it still feel good  
I know the sex ain't gon' keep you, but as my equal  
It's how I must treat you  
As my reflection in light I'ma lead you  
And whatever's right, I'ma feed you  
Digga-da, digga-da, digga-da, digga-digga-da-da  
Yo I tell you the rest when I see you, peace

There are times.. when you'll need someone..  
I will be by your side..  
There is a light, that shines,  
Special for you, and me..

(I'll) take my chances.. before they pass..  
.. pass me by, oh darling..  
You need to look at the other side..  
You'll agree..
