Common

I express like an interstate  
Hyper when I venilate  
My rap pieces penetate and infiltrate your mental state  
Just to reitterate  
That I innovate  
Bonin' broads when they men-estruate  
I speand a great time with the rhyme  
More than I did any female  
I derailed your train of thought  
Because your brain was caught  
On some other man's thinking  
Now your third eye is blinking  
My rhymes be kicking like a brother's breath be stinking  
I get funky for sure while you're \*sniff\* unsure  
If you got beef, chief, then let that shit unthaw  
This track was a broad  
I'd be bonin the shit out of it  
Bang, bang, bang then see what I can get out of her  
probably some scratch clothes and some J's  
I got six thousand ways to rhyme  
Choose one  
I stand out like a nigga on a hockey team  
I got goals, and I can like a pop machine  
I come clean  
Like a fiend in Chi I'm down with rehab  
My stutter styles crazy  
Cause that's right, we bad, we bad  
Pryor to Richard I was that crazy nigga  
Cause I kick ass  
And when i wreck other rappers be like whiplash!  
Verse Two:  
It's like I come I come to the party in a b-boy stance  
I rock on the mic and make the gils want to dance  
It's like I come I come to the party in a b-boy stance  
I rock on the mic and make the gils want to dance  
Me without a lyric, is like a nigga without a beeper  
I'm a blow this shit out, cuz I'm the joint like reefer  
If Barry White was in the mob  
I still would be deeper  
Cause i had lyrics back when i used to run with Keyvin  
MC's step to me, butt-ass naked like "What's up?"  
I said, "You know you done fucked up  
Now I'm sayin, "You know you done fucked up"  
Everybody that here be say I'm Jams like the NBA  
Cause I'm on fire  
If I was a Michelin I wouldn't tire  
It's funny how time flies  
Well I'm as fly as time  
I don't believe in role models  
But if I do, then I'm mine  
I make brothers say "True"  
They be you and be like fiction  
I want 'spect and dead presidents  
Like Richard Nixon  
I'm a coach not a player  
Not a gay mc, I'm straighter  
My style is similiar to AIDS

You can f with it now  
But catch you later  
You can't touch this, cuz this is what I'm feelin bro  
I'm the man, you need me I'll be on the fifth flo'  
Just chillin  
Even if it's played out it's not the word to play so peace  
I'm out to Dirty Burgers I'ma give my change to Reese
