

I Wanna Do You Slowly

Company B

Paul Keating:

I wanna do you slowly, holy moly
I wanna turn you inside out, upside down and roundabout
Wrap you up like ravioli, roly poly
I wanna make you mine
All good things take time...

Dear boy, you know I've got your measure
I'll take a while to take my pleasure
Steam you like a lentil
I can be so soft and gentle
Boy, I know you want it fast
But I...

Keating and John Hewson:

... wanna make it last, ohh

Keating:

I wanna do you slowly, holy moly
I wanna turn you inside out, upside down and roundabout
Roll you round like a cannoli, roly poly
Then it'll feel so right
On election night
On election night
On election night...
