## Company B

Paul Keating:  
There's a tale I heard  
Of an island man  
Tough and undeterred, he said "Haven't you heard?  
This land - our land!"

"We belong"  
That's what the High Court said  
So when you sing this song, you gotta sing it for Ed.  
For Eddie.  
Ready?

Band:  
Ready!  
Mabo!  
Mabo!  
Mabo!

Keating:  
What's that name?

Band:  
Mabo!

Keating:  
For the Meriam people

Band:  
Mabo!

Keating:  
It was very unequal

Band:  
Mabo!

Keating:  
Was it totally legal? Oh no!  
Watch me now!

Band:  
Mabo!  
Mabo!  
Mabo!

Keating:  
Here comes another one!

Band:  
Mabo!

Keating:  
Native title

Band:  
Mabo!

Keating:  
It's alive and vital

Band:  
Mabo!

Keating:  
Speak the truth and make it so!

And if we follow this philosophy  
Demand a land beyond compare  
Then girt by faith and generosity  
We'll all combine to redefine a beauty rich and rare  
In joyful strains then let us sing...

All:  
Advance Australia...
