After Thought

Company Of Thieves

Take all of my worry And take back all of my words Before I never learn Before I never learn

That I am not my problems, I am not my money's worth, Where I went to school, Order of my birth

And I am not the answer, I am not the aftermath, Or picture of the past

I didn't know, know, know I didn't know, know, know I didn't know

Someday on a mountain I will face all of my fears Before I disappear

But I'll never know, know

That one night in the middle Of my marigolden dreams I will start to see

I didn't know, know, know I didn't know, know, know I didn't know, know, know I didn't know
