

# Around The Block

## Company Of Thieves

I want to know  
What's been going on  
What's around the block  
I'd like to die  
with the songs I love stuck in my head

Seeming seamless,  
It was never easy enough,  
to keep a smile thin  
while they pushed into bed

Feeling fearless,  
It was never easy enough,  
to figure friends from foes  
and so this story goes...

I want to know  
What's been going on  
What's around the block  
I'd like to die  
with the songs I love stuck in my head

I hope to make the most  
of all those hollow bones we become,  
Wo-oh, I raise a toast  
to the souls that sang all along

Feeling fearless,  
It was never easy enough  
to keep my feet on ground  
and head out of the clouds

I want to know  
What's been going on  
What's around the block  
I'd like to die  
with the songs I love stuck in my head

I hope to make the most  
of all those hollow bones we become,  
Wo-oh, I raise a toast  
to the souls that sang all along

I've been gathering friends  
just to make some sound  
before the ship goes down  
and  
I've been making amends  
by making the rounds before the whole world ends  
and  
I've been gathering friends  
just to make some sounds  
before the ship goes down.

I want to know  
What's been going on  
What's around the block

I'd like to die  
with the songs I love stuck in my head

I hope to make the most  
of all those hollow bones we become,  
We all could raise a toast  
to the souls that sang all alone

I hope to make the most  
We all could raise a toast

I'd like to die  
with the songs I love stuck in my head.
