## **Rise Like A Phoenix**

## **Conchita Wurst**

Waking in the rubble Walking over glass Neighbors say we're trouble Well that time has passed

Peering from the mirror No, that isn't me Stranger getting nearer Who can this person be

You wouldn't know me at all today From the fading light I fly

Rise like a phoenix Out of the ashes Seeking rather than vengeance Retribution You were warned Once I'm transformed Once I'm reborn You know I will rise like a phoenix But you're my flame

Go about your business Act as if you're free No one could have witnessed What you did to me

Cause you wouldn't know me today And you have got to see To believe From the fading light I fly

Rise like a phoenix Out of the ashes Seeking rather than vengeance Retribution You were warned Once I'm transformed Once I'm reborn

I rise up to the sky You threw me down but I'm gonna fly

And rise like a phoenix Out of the ashes Seeking rather than vengeance Retribution You were warned Once I'm transformed Once I'm reborn You know I will rise like a phoenix But you're my flame
