

## Carry Me Away V2

Concrete Blonde

Today I went & bought myself a bottle,  
like we used to do,  
reminded me of you.

Today I saw a train roll by the river,  
blowing off the steam,  
reminded me of me.

That's when I threw the bottle in the river.  
That's when I started running for the train.

There's nothing that you need I can't deliver,  
carry me away, carry me away.

Make it seven o nine California time,  
whoever said it was a small world was either a liar or a fool,  
cause it's not true.

And any promise we make is as easy to break  
as the plastic people on a wedding cake so says you  
but you know, I do.

I hear you thinking,  
from far away.  
If ya keep lying & crying & trying & drinking,  
I'm gonna carry me away, carry me away.

If you think about me,  
from far away,  
I hope you find it with me or without me.  
Carry me away, carry me away,  
carry me away, carry me away,  
carry me away, carry me away.
