

# Lullabye

Concrete Blonde

When the sky has fallen  
Like a blanket on your shoulder  
And the moon is like a mother  
Looking over you forever  
And the dawn is so familiar  
You were meant to be together  
Like a fog around a mountain  
Forever

So softly  
So sweetly  
Surrounding you completely  
Sing you a lullabye  
Lullabye to you  
Lullabye  
Lullabye to you

When your breathing is the wind  
And your crying is the rain  
Well I know you will remember  
Because the music is forever  
The living of a lover  
And the loving of another  
Like a sister and a brother  
Like a father and a mother

So softly  
So sweetly  
Surrounding you completely  
Sing you a lullabye  
Lullabye to you  
Lullabye  
Lullabye to you

When the sky has fallen  
Like a blanket on your shoulder  
And the moon is like a mother  
Looking over you forever  
And the dawn is so familiar  
You were meant to be together  
Like a fog around a mountain  
Forever and ever

So softly  
So close to me  
You're surrounding me so beautifully  
Lullabye  
Lullabye to you  
Lullabye  
Lullabye to you  
Lullabye  
Lullabye to you  
Lullabye  
Lullabye to you
