

Probably Will

Concrete Blonde

They say I may be crazy
I only say I've had my fill
They say I'll throw it all away
I probably will

They'll only give you what you're takin'
But lately I've been unfulfilled
They say I'll probably blow it off someday
I probably will

The way they talk about each other
The way they talk about themselves
Well, they could talk, talk, talk forever
And they probably will

You know they probably will
Now I'm not really bitter
You know I'm just a little chilled
They say that things can just get better
And they probably will

And they will only make us stronger
If they should try to keep us still
And we could rise and take it all someday
We probably will

The way they talk about each other
The way you talk about yourselves
Well, you can talk, talk, talk forever
And you probably will
You know you probably will
