

Well when I've had enough,  
I'll get a pick-up truck and I'll drive away.  
I'll take my last ten bucks just as far as it will go.

Ahh sometimes I'm easily fooled,  
I take a painful step and I get knocked back two.  
I do all I can and it's all I can do, but I'm true.

And if I had the choice I'd take the voice I got  
Cause it was hard to find.  
You know I've come too far to wind up right back where I started.  
Ahh they tell me who I should be,  
I'll never let the monkeys make a mess of me.  
I give all I can and it's all I can do,  
But I'm true.

One more sunset  
Lay my head down - true  
One more sunrise  
Open my eyes up - true

And then they talk you up and then they talk you down  
And you begin to doubt.  
Sometimes the reasons seem so very far away.  
Ahh but I'd stop breathing today,  
but if I can't walk proud, I'd rather walk away.  
I do all I am and it's all I can do,  
Oh I'm true.

I'd give all I am and I'd give it to you.  
So true.
