

# Make Them Remember

## Conditions

What you can't stand  
Don't let it grow  
Don't let the roots  
Entangle your soul  
( 'Tangle your soul)

Wasting no one's time  
But your own  
You'll be what you've done  
Not what you think of  
When you're alone

Now that I've got something to say  
I'll open up my mouth  
So here's to finding your way  
Finding your way

How will you make  
Them remember your name  
When everyone here  
Seems exactly the same

But there's so much to give up  
Don't just throw it away  
So go on and make  
Them remember your name

When the world seems to go wrong  
The day that you feel  
Like you don't belong

Keep in mind life's just a song  
A song without words  
Waiting for you to sing along

Now that I've got something to say  
I'll open up my mouth  
So here's to finding your way  
Finding your way

(Oh, oh)  
How will you make  
(Oh, oh)  
Them remember your name  
(Oh, oh)  
When everyone here  
(Oh, oh)  
Seems exactly the same

(Oh, oh)  
But there's so much to give up  
(Oh, oh)  
Don't just throw it away  
(Oh, oh)  
So go on and make  
(Oh, oh)  
Them remember your name

You're fine  
You're fine  
Don't waste  
The rest of your life

You're fine  
You're fine  
Don't waste  
The rest of your life

How will you make  
Them remember your name  
When everyone here  
Seems exactly the same

(Oh, oh)  
How will you make  
(Oh, oh)  
Them remember your name  
(Oh, oh)  
When everyone here  
(Oh, oh)  
Seems exactly the same

(Oh, oh)  
But there's so much to give up  
(Oh, oh)  
Don't just throw it away  
(Oh, oh)  
So go on and make  
(Oh, oh)  
Them remember your name
