

## Miss America

### Conditions

It's a basic human need  
Feeling beautiful  
But you coat your broken body  
So subliminal  
(So subliminal)  
And the colors that you wear  
Hide a criminal  
You devour classic beauty  
You destroy it all  
There's no easy way to say this  
Miss America  
Is a slave from the waist down  
Stealing the whole town's love  
And good little girls  
Won't stay away  
It's amazing how quickly  
They shed their youth  
As you capture everyone  
With your distorted truth  
Your words and your ways  
Are absolute  
As you rob them of potential  
To be just like you  
There's no easy way to say this  
There's no pretty way to say this  
Miss America  
Is a slave from the waist down  
Stealing the whole town's love  
And good little girls  
Won't stay away  
(Stay, stay, stay)  
Stay away  
(Stay, stay, stay)  
Stay away  
(Stay, stay, stay)  
Stay away  
(Stay, stay, stay)  
Stay away  
(Stay, stay, stay)  
Stay away  
Miss America  
Is a slave from the waist down  
Stealing the whole town's love  
And good little girls  
Won't stay away
