

Not Giving Up...not Yet

Conditions

Another day that feels like falling As I hear direction calling
me Away from those paths I chose When I was twenty-three

And I know it's detrimental 'Cause when I miss my potential I c
an hardly sleep But when I do I die in all my dreams

'Cause it pains me to think Could I have been better in another
life I don't want to know

I have come this far and I'm not giving up (Not yet, not yet, n
ot yet, no) Though I gamble with everything I love (Not yet, no
t yet, not yet) I can't live a perfect life And I know that the
re's no answer But I know that I'm not giving up I'm not giving
up

And I trade these easy vices For an end to sacrifices I have ru
n my hands through heaven And I have dipped my feet in hell But
my days have served me well I know how to lose everything And
pick up where I fell

But it pains me to think Could I have been better in another li
fe I don't want to know

If I could try another life How would I know I'd get it right A
different man, a different mind Another soul with time to feel
alive

I can't live this perfect life And I won't care if there's an a
nswer I'm not giving up
