Brass!  
Got this dance that's more than real  
Drink Brass Monkey, here's how you feel  
You put your left leg down, your right leg up  
Tilt your head back, let's finish the cup  
MCA with the bottle, D rocks the can  
Adrock gets nice with Charlie Chan  
We're offered Moet, we don't mind Chivas  
Wherever we go we bring Monkey with us  
Adrock drinks three, Mike D is D  
Double R. foots the bill most definitely  
I drink Brass Monkey and I rock well  
I got a castle in Brooklyn, that's where I dwell  
Brass Monkey

Brass Monkey junkie  
That funky monkey  
Brass!  
I drink it anytime and anyplace  
When it's time to get ill I pour it on my face  
Monkey tastes def when you pour it on ice  
Come on y'all it's time to get nice  
Cooling by the lockers, getting kind of funky  
Me and the crew we're drinking Brass Monkey  
This girl walked by, she gave me the eye  
I reached in the locker and grabbed the Spanish Fly  
I put it in the Monkey and mixed it in a cup  
Went over to the girl, "Yo baby, what's up?"  
I offered her a sip, the girl, she gave me lip  
It did begin, the stuff wore in, and now she's on my tip

Step up to the bar and put the girl down  
She takes a big gulp and slaps it around  
You take a sip, you can do it, you get right to it  
We had a case in the place and we went right through it  
You got a dry Martini and you're thinking you're cool  
Take your place at the bar, smack you off your stool  
I'll down a 40 dog in a single gulp  
And if you got beef you'll get beat to a pulp  
Monkey and parties and reelin' and rockin'  
Def, def, girls, girls, all y'all jockin'  
The song and dance keeping you in a trance  
If you don't buy my record I got my advance  
I drink it, I think it, I see it, I be it  
I love Brass Monkey but I won't give D it  
We got the bottle, you got the cup  
Come on everybody let's get
