

## Make A Wish

### Conjure One

You can close your eyes it's over now  
It's over now  
You can close your eyes it's over

Baby, baby, baby, make a wish  
Tell me have you ever been afraid like this  
It's over n-n-ow

I-I-I've seen it watching me  
That misty thing without a face  
It weaves my thoughts lined them up in black lace  
It buries my shape and leaves no trace

Tomorrow I will have no shame  
And I will start again

Make a wish  
Tell me have you ever felt alone like this  
O-o-over now

Better do it, sure  
Just wishing  
I could move in some more

Tomorrow I will have no shame  
And I will start again

Make a wish  
You can close your eyes, it's over now  
Baby, I have never been afraid like this  
You can close your eyes, it's over now

[Incomprehensible]

I took off my shoes  
I took off my face  
And then I undid the buttons on my dress  
I will start again

Make a wish  
You can close your eyes, it's over now  
Tell me have you ever been exposed like this  
You can look into your mind

Baby, baby, baby, feels like a kiss  
You can close your eyes and start again  
I bet you never thought that I could feel like this

Tomorrow I will have no shame  
Tomorrow I will have no shame  
Make a wish
