

Sleep

Conjure One

I know it's late
I shouldn't call at this hour
But it's my fate
I need lips to devour

My nervous system is shot alright
I won't sleep unless you
Sleep with me tonight
Deep with me tonight

I know it's late
We've known each other awhile
I can't wait
To see your twisted smile

Kindred spirit of candle light
I won't sleep unless you
Sleep with me tonight
Deep with me tonight

And my thought to my saint
I'm so tired but I faint
Sleep with me tonight
Sleep with me
Sleep with me tonight
Sleep with me tonight

Drown out the machinery in my head
Bring your peace of mind to my bed
Without sleep there are no dreams
Without dreams we fall apart at the seams

Kindred spirit of candle light
I won't sleep unless you
Sleep with me tonight
Deep with me tonight

And my thought to my saint
I'm so tired but I faint
Sleep with me tonight
Sleep with me

Sleep with me tonight
Sleep with me
Sleep with me
Sleep with me
Sleep with me
Sleep with me tonight

Sleep with me
Sleep with me tonight
Sleep with me
Sleep with me
Sleep with me tonight
Sleep
