

Fun & Games

The Connells

Let me tear down into your heart
Let me take a seat and stay awhile
Let me tear down into your heart
Ah, fun and games.

Let me steal a glimpse from your eyes
Let me pin it up and stare awhile
Let me steal a glimpse from your eyes
Ah, fun and games.

Let me have a half of your whole
Let me keep it for myself awhile
Let me have a half of your whole
Ah, fun and games.

Let me take the words from your mouth
Let me swallow them and speak awhile
Let me take the words from your mouth
Ah, fun and games.

Didn't I offer less than I lost?
Didn't I mean to find it all?
Look, don't let me size it up.
Hey, right.
