## Glade

**The Connells** 

Anyday, your gonna to throw it all away see you got it just throw away now here you wind how its coming in from all sides you got it coming riding in on you this is what we should do lets go to boy island book a passage for a few days in sun waiting and watching for girls to come waiting, watching You know you came up with it too long ago see it happened so long ago how could you know lets go to boy island book a passage for a few days in sun waiting and watch for girls to come waiting, watching waiting, watching for girls to come waiting, watching Everyday you've got to throw it all away see you got it, just throw it away that's what I might say lets run to boy island book a passage for a few days in sun waiting and watch for girls to come waiting, watching for girls to come waiting, watching just like mary waits in the sun just like mary waits in the sun waiting, watching for girls to come waiting, watching Boy, oh boy...
