

## Inside My Head

The Connells

Inside my head I hurt a lot  
'Cause I'm thinking about me  
And what I did to you

I can't imagine what I have lost  
I'm not bold enough to be  
Man enough for you

There's no way to save  
The dream that's dead  
The water has passed beneath us  
On a bridge reaching down fro you.

Would you have been a movie star  
Or would you have been like me  
Nothing but a fool

I can cry and hide and pray a lot  
But there's nothing I can do  
To save the dream for me

There's no way to save  
The dream that's dead  
The water has passed beneath us  
On a bridge reaching down fro you.

Inside my head I hurt a lot  
'Cause I'm thinking about me  
And what I did to you

My home is just not big enough  
To start a life for three  
But I wish I could for you
