

Inside My Head

The Connells

Inside my head I hurt a lot
'Cause I'm thinking about me
And what I did to you

I can't imagine what I have lost
I'm not bold enough to be
Man enough for you

There's no way to save
The dream that's dead
The water has passed beneath us
On a bridge reaching down fro you.

Would you have been a movie star
Or would you have been like me
Nothing but a fool

I can cry and hide and pray a lot
But there's nothing I can do
To save the dream for me

There's no way to save
The dream that's dead
The water has passed beneath us
On a bridge reaching down fro you.

Inside my head I hurt a lot
'Cause I'm thinking about me
And what I did to you

My home is just not big enough
To start a life for three
But I wish I could for you
