## **Inside My Head**

## The Connells

Inside my head I hurt a lot 'Cause I'm thinking about me And what I did to you

I can't imagine what I have lost I'm not bold enough to be Man enough for you

There's no way to save
The dream that's dead
The water has passed beneath us
On a bridge reaching down fro you.

Would you have been a movie star Or would you have been like me Nothing but a fool

I can cry and hide and pray a lot But there's nothing I can do To save the dream for me

There's no way to save
The dream that's dead
The water has passed beneath us
On a bridge reaching down fro you.

Inside my head I hurt a lot
'Cause I'm thinking about me
And what I did to you

My home is just not big enough To start a life for three But I wish I could for you
