The Connells

There isn't room in the Inn  
The keeper wouldn't be my friend  
I could tell in his eye  
He'd never change his mind

So, I'm left to walk in the cold  
The light of day is growing old  
But who's to blame  
Neither rain nor shine

That's why this is the best of me  
Giving up...  
This is the rest of me  
And I've had quite enough  
This is the best of me  
Giving up...  
You've seen enough of me  
To know that it's tough

That is me in a scene  
Father, he is tall and so serene  
I said I'd believe  
I declare a proven sigh

Then I'm alone facing the snow  
The rain falls hard and is blowing cold  
I said I'd believe  
When hell had frozen over

That's why this is the best of me  
Giving up...  
This is the rest of me  
And I've had quite enough  
This is the best of me  
Giving up...  
You've seen enough of me  
To know that it's tough

But who's to believe  
That what I've seen really isn't true

There isn't room in the Inn  
The keeper wouldn't be my friend  
I could tell in his eye  
He'd never change his mind

That's why this is the best of me  
Giving up...  
This is the rest of me  
And I've had quite enough  
This is the best of me  
Giving up...  
You've seen enough of me  
To know that it's tough
