

New Boy

The Connells

Sometimes I get the feeling things won't fall apart.
Sometimes I think it's gone too far.
Sometimes I get the feeling things seem pretty nice.
Then again sometimes I'd like to leave you twice.

Once we decide upon it
We won't fall apart.
This time I think it's gone too far.

And you get where you can't decide--
Don't ask any other.
And you get where you can't decide.

Didn't I say ";sorry.";
Didn't I say ";dear.";
Didn't I consider.
Didn't I stand clear.
Didn't you say ";New boy get down on your knees.";
Didn't I say ";trying, I'm trying, I'm trying.";
