

## Too Gone

The Connells

And what am I too gone for you?  
And when am I too gone?  
And what am I too gone for you?  
And when am I too gone?  
Wasn't I once on for you?  
And what am I to say?  
Wasn't I once on for you?  
And what am I to say?  
One if by land, two if by sea, three if by chance.  
Four for the door, five for the sky, six in my hands.  
Chrous from: Shannon - "Let the Music Play." From the album of  
the same name  
We let the music play, we don't get away.  
There goes the music baby, we know how to use it, let it play.  
Let the music play, we don't get away.  
There goes the music baby, we know how to use it, let it play.  
One if by land, two if by sea, three if by chance.  
Four for the door, five for the sky, six in my pants.
