## **April Love**

## **Connie Francis**

April love is for the very young Every star's a wishing star that shines for you April love is all the seven wonders One little kiss can tell you this is true Sometimes an April day will suddenly bring showers Rain to grow the flowers for her first bouquet But April love can slip right thru your fingers So if she's the one, don't let her run away

April love is for the very young Every star's a wishing star that shines for you April love is all the seven wonders One little kiss can tell you this is true Sometimes an April day will suddenly bring showers Rain to grow the flowers for her first bouquet But April love can slip right thru your fingers So if she's the one, don't let her run away
