

Bye Bye Love

Connie Francis

Bye bye love bye bye happiness
Hello loneliness I think I'm gonna cry
Bye bye love bye bye sweet caress
Hello emptiness I feel like I could die
Bye bye my love goodbye

There goes my baby with someone new
He sure looks happy I sure am blue
He was my baby til she stepped in
Goodbye to romance that might have been

I'm through with romance I'm through with love
I'm through with counting the stars above
And here's the reason that I'm so free
My loving baby is through with me

Bye bye my love goodbye bye bye my love goodbye
