

## Bye Bye Love

Connie Francis

Bye bye love bye bye happiness  
Hello loneliness I think I'm gonna cry  
Bye bye love bye bye sweet caress  
Hello emptiness I feel like I could die  
Bye bye my love goodbye

There goes my baby with someone new  
He sure looks happy I sure am blue  
He was my baby til she stepped in  
Goodbye to romance that might have been

I'm through with romance I'm through with love  
I'm through with counting the stars above  
And here's the reason that I'm so free  
My loving baby is through with me

Bye bye my love goodbye bye bye my love goodbye
