

# Don't Ever Leave Me

Connie Francis

Baby, Baby - I've been waiting  
For somebody to love just me  
I'm so happy now that I found you  
I'll stand by you till eternity

Don't ever leave me, don't ever let me go  
I wouldn't know what to do, I wouldn't know where to go  
Don't ever leave me, I'm giving you my heart  
And it would break in two if we should ever part

Baby, tell me how much you love me  
And I have something to say to you  
I will always make you happy  
And I promise that I will be true

Don't ever leave me, don't ever let me go  
I wouldn't know what to do, I wouldn't know where to go  
Don't ever leave me, I'm giving you my heart  
And it would break in two if we should ever part

Don't ever leave me, don't ever let me go  
I wouldn't know what to do, I wouldn't know where to go  
Don't ever leave me, I'm giving you my heart  
And it would break in two if we should ever part

Baby, Baby - don't ever leave me  
Don't ever leave me...
