## Frankie

## **Connie Francis**

Frankie, wherever you are I love you Though you've found a new love

I still miss you so I just can't forget you But you'll never know Frankie, my darling I'll never let you see me cry

Once I was your sweetheart Now I'm just a friend Once you really loved me Now I just pretend Frankie, my darling I'll never let you see me cry

Oh, Frankie
I'd rather hide these teardrops
Deep down inside
I'm crying
But you'll never see
I'd rather cry than have you pity me

Though my nights are lonely Since we've been apart I'll always keep this secret Deep within my heart Frankie, my darling I'll never let you see me cry

Frankie, wherever you are I love you
