

If I Didn't Care

Connie Francis

If I didn't care more than words can say
If I didn't care would I feel this way?
If this isn't love then why do I thrill?
And what makes my head go 'round and 'round
While my heart stands still?

If I didn't care would it be the same?
Would my ev'ry prayer begin and end with just your name?
And would I be sure that this is love beyond compare?
Would all this be true if I didn't care for you?

If I didn't care honey child, mo' than words can say. If I didn't
Care baby, would I feel this way? Darlin' if this isn't love, then why do I thrill so
Much? What is it that makes my head go 'round and 'round while
my heart just stands
Still so much?

If I didn't care would it be the same?
Would my ev'ry prayer begin and end with just your name?
And would I be sure that this is love beyond compare?
Would all this be true if I didn't care for you?
