

No One

Connie Francis

No one ever kissed me the way that you do,
And no one ever told me "I love you",
No one ever cared,
No, no one ever shared,
All those dreams that I dreamed would come true,

No one ever hurt me the way that you do,
"Cause no one ever broke my heart in two,
But I'll keep on caring my whole life through,
For no one, no one but you.
