Please Help Me I'm Falling

Connie Francis

Falling, falling do do do
Please help me I'm falling in love with you
Close the door to temptation don't let me walk through
Turn away from me darling I'm begging you to
Please help me I'm falling in love with you

I belong to another whose arms have grown cold But I promised forever to have and to hold I can never be free dear but when I'm with you I know that I'm losing the will to be true

Please help me I'm falling and that would be sin Close the door to temptation don't let me walk in For I mustn't want you but darling I do Please help me I'm falling in love with you
