

Secret love

Connie Francis

Once I had a secret love
That lived within the heart of me
All too soon that secret love
Became impatient to be free

And so I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I'm so in Love with you

Now I shout it from the highest hills
Even told the golden daffodils
At last my heart's an open door
And my secret love's no secret anymore

And now I shout it from the highest hills
Even told the golden daffodils
At last my heart's an open door
And my secret love's no secret anymore
