

Send Me The Pillow That You Dream On

Connie Francis

Send me the pillow that you dream on
Oh, don't you know that I still care for you
Send me the pillow that you dream on
So darling, I can dream on it too.

Each night while I'm sleeping oh so lonely
I share your love in dreams that once were true
So send me the pillow that you dream on
And darling, I can dream on it too.

I've waited so long for you to write me
But just a mem'ry's all that's left of you
Send me the pillow that you dream on
So darling, I can dream on it too.

So darling, I can dream on it too.
