

# Teddy

Connie Francis

There's a guy  
I want you to know  
He's the guy I love so  
He's my Teddy (Teddy)  
Oh, Teddy (Teddy)  
I, I love you so

Oh, I remember  
The day that we met  
I'd be so silly  
To ever forget  
Whoa-oh, Teddy (Teddy)  
Aw, Teddy (Teddy)  
I, I love him so

Oh, he's so shy  
It doesn't matter  
You're my guy  
Can't you see  
That I want you  
I need you  
I love you  
I do  
And you belong to me

I'll always love you  
The rest of my life  
We could get married  
I'd be your wife  
Whoa-oh, Teddy (Teddy)  
Aw, Teddy (Teddy)  
I, I love you so

I'll always love you  
The rest of my life  
We could get married  
I'd be your wife  
Whoa-oh, Teddy (Teddy)  
Aw, Teddy (Teddy)  
I, I love you so
