

The Shadow Of Your Smile

Connie Francis

Know what I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile
When you are gone
The color on my dreams
And light the dawn

Look into my eyes my love and see
All the lovely things you are to me

Our wistful little star
Was far too high
A teardrop kissed your lips
And so did I

Now when I remember spring
All the joys that love can bring
I will be remembering
The shadow of your smile
I will be remembering
The shadow of your smile
