Torn Between Two Lovers

Connie Francis

There are times when a woman has to say what's on her minc Even though she knows how much it's gonna hurt Before I say another world let me tell you:

I love you

Let me hold you close and say these words as gently as I car There's been another man that I've needed and I've loved But that doesn't mean I love you less And he knows he can't possess me And he knows he never will There's just this empty place inside of me That only he can fill

Torn between two lovers
Feeling like a fool
Loving both of you is breaking all the rules
Torn between two lovers
Feeling like a fool
Loving you both is breaking all the rules.

You mustn't think you failed me
Just because there's someone else
You were the first real love I ever had
And ail the things I ever said I swear they still are true
For no one else can have the part of me I gave to you

I couldn't really blame you if you turned and walked away But with everything I feel inside I'm asking you to stay
