

Don't Forget I Still Love You

Connie Smith

Someone else will be kissing you but you'll still be in my heart

Don't forget I still love you when her arms hold you tight

Just remember that I still care though I'm not with you tonight

When I told you I love you I promised I'd be true

And I'll keep that promise my whole life through

I could never forget you and how our love used to be

Goodbye my darling and don't forget you can always come back to me

I could never forget you
